

Codicil Form

Simple Steps

- 1. Complete and date the codicil form.
- 2. Sign your name in the presence of two adult witnesses. No beneficiary or executor of your Will (or any person in marriage or civil partnership with the beneficiary or executor) should be a witness.
- 3. Ask your witnesses to complete and sign the witness section. All must be present at this point.
- 4. You should then date the codicil opposite your signature where indicated.
- 5. Keep a copy of the codicil with all copies of your Will in a secure place, but do not attach the codicil to your Will, for example, with a paperclip as this can cause problems later.
- 6. Give a copy of your Will and codicil to an executor or close friend, with a note detailing the location of the original. It is important to ensure both the original Will and codicil remain together.
