

ASSIST Sheffield are recruiting Trustees!

Role Title: Trustee

We are seeking applications from the following;

- People with experience of the asylum process or migration to the UK.
- People from communities that are discriminated against due to race, ethnicity or religion.

ASSIST Sheffield is an organisation with a deep passion for social justice and an 18-year history of working with people seeking asylum. We are a highly committed and resourceful organisation, delivering a range of services with a 300 strong volunteer workforce and a small staff team. We are proud of our track record in a critically important area of work. If you share our values and vision for social change then this could be the role for you!
